

In the name of God
Summary of the scientific-research certificate of the faculty
members and researchers
Endocrinology and Metabolism Research Institute
Shahid Beheshti University of Medical Sciences

Name: Sima	Scopus ID number: 57205017156
Family name: Nazarpour	
H-Index: Scopus: 11 Google Scholar: 12	Total number of citations to articles: 933 Number of citations to articles in 2024: 10
Total number of research projects: 41 Number of research projects in the role of executor: 30	Total number of articles: 50 Number of articles by the first author/responsible: 45 Number of articles in 2024:

In the name of God
Summary of the scientific-research certificate of the faculty
members and researchers
Endocrinology and Metabolism Research Institute
Shahid Beheshti University of Medical Sciences

1. Personal Information:

Name: Sima	Date of birth: 1368.7.31	National Code: 0046886494
Last name: Nazarpour	Place of Birth: Tehran, Iran	Father Name: Younes
Identity Card No: 2104	Mobile phone no: +989123895124	
Email: snazarpour@gmail.com simanazarpour@sbmu.ac.ir nazarpour_sima@iauvaramin.ac.ir		

2- Academic records / training courses

Grade	Education / orientation	Duration of study		University name	Country / city of study	GPA
		Start	End			
Ph.D.	Reproductive Health	2010	2015	Shahid Beheshti Medical Sciences	Iran/Tehran	18.86 Thesis grade: 20
Masters	Midwifery Education	1991	1994	Medical Sciences of Iran	Iran/Tehran	18.71 Thesis grade: 19.9
Bachelor Degree	Midwifery	1986	1991	Shahid Beheshti Medical Sciences	Iran/Tehran	18.70

3. Employment Status:

Faculty members and formal researchers			
Work start date	Cooperation status	Academic rank	Grade
October 8, 1995	Full-time faculty member Islamic Azad University, Varamin-Pishva Branch	Associate Professor	29
Contract researchers			
Work start date	contract type	Researcher rank	Last upgrade date
June 22, 2015		Researcher	29
July 31, 2021		postdoctoral researcher	

4.Educational experience:

All specialized courses in midwifery, Related courses in nursing and operating room technology in Islamic Azad University, Varamin-Pishva branch

Teaching the following subjects in university:

Health Principles and Community Health

Epidemiology

Health Management

Obstetrics

Maternal- Child Health

Research Methodology

Reproductive Health

Family planning

Newborns

Prenatal care

Physiopathology and midwifery

Semiology

Gynecology

Psychiatry in midwifery

4.1. Teaching in short courses / educational-research workshops

No.	Course / workshop title	Date	Organization	Teaching title
1	Blood sampling and injections	2023	Islamic Azad University, Varamin-Pishva Branch	
2	Practical principles of suturing	2023	Islamic Azad University, Varamin-Pishva Branch	

3	Postpartum Hemorrhage	2019	Shohadaye Yafet Abad Hospital	
4	Gynecological emergencies	2019	Shohadaye Yafet Abad Hospital	
5	Challenges of breastfeeding for premature newborns	2019	Shohadaye Yafet Abad Hospital	
6	The role of screening tests in determining the health of newborns before birth	2017	Islamic Azad University, Varamin-Pishva Branch	
7	Homeopathy	2016	Islamic Azad University, Shahre Quds Branch	

5. Research Activities:

5.1. Writing a book / part of a foreign book

No.	Book chapter title	Book Title	Editor	Publisher / place of publication / year of publication
1	Subclinical Hypothyroidism and Pregnancy (Volume 71, Chapter 6)	Advances in Health and Disease.		Nova Science Publishers NY, USA 2023

Publications:

Participation in International Conferences/ congresses/ seminars/ meetings

1. Cardiopulmonary resuscitation Scientific Research Conference, Islamic Azad University, Varamin-Pishva Branch, Tehran, Iran, May 1999; **Cardiopulmonary resuscitation.**

2. Scientific Conference of Neonatal Resuscitation, Islamic Azad University, Varamin-Pishva Branch, Tehran, Iran, November 1999; **Newborn resuscitation.**
3. National congress on Nursing and Midwifery in Neurological Disorders, Shahed University, Tehran, Iran, March 1999; **The effect of pregnancy on epilepsy.**
4. Research and Scientific Conference on Neonatal Resuscitation, Islamic Azad University, Noshahr and Chalous Branch, Chalous, Iran. January 2000; **The first basic steps of resuscitation and artificial respiration.**
5. National Congress of Nursing and Midwifery Care, Social Security Organization, Imam Khomeini Hospital, Tehran, Iran, March 2001; **Prevention of mother-to-child transmission of HIV.**
6. AIDS and Family Conference, Islamic Azad University, Semnan Branch, Semnan, Iran, May 2003; **Pregnancy and AIDS.**
7. Seminar of Holistic Medicine and Homeopathy, Islamic Azad University, Varamin-Pishva Branch, Tehran, Iran, December 2004; **What is Homeopathy?**
8. National Conference on Nursing and Midwifery Emergencies, Islamic Azad University of Varamin-Pishva, Tehran, Iran, June 2005; **Shoulder dystocia.**
9. National Conference of Nursing and Midwifery Emergencies, Islamic Azad University of Varamin-Pishva, Tehran, Iran, June 2005; **Malignant vomiting in pregnancy.**
10. 2nd symposium of federation of Asian-oceanic neuroscience societies (FAONS) and 3rd Iranian Neuroscience congress, Tehran-Iran Spain, May 16-19, 2004; **Immunohistochemistic study of the intra-cardiac ganglia of the pig heart.**
11. 2nd symposium of federation of Asian-oceanic neuroscience societies (FAONS) and 3rd Iranian Neuroscience congress, Tehran-Iran Spain, May 16-19, 2004; **Morphological changes of lumbar spinal neurons after sciatic nerve transaction in neonate rats.**
12. 4th National Congress of Medical Sciences, Young Researchers Club, Islamic Azad University, Mashhad Branch, Mashhad, Iran, October 2005; **Multiple pregnancy, a high-risk pregnancy.**
13. Third National Conference on Sleep Disorders, Tehran University of Medical Sciences, Imam Khomeini Hospital, Tehran, Iran, November 25-23, 2006; **Evaluation of Sleep Disorders in Late Pregnancy and its Impact on Labor Length and Type of Delivery at Firoozabadi Hospital in 2006.**
14. THE 2nd World Congress on Gender-specific Medicine and aging: The Endocrine Impact, Rome, Italy, March 8-11, 2007, Poster presentation. **Sleep disorders in late pregnancy and its effect on the length of the labor and type of delivery in Firuzabadi hospital in Tehran, 2006.**
15. The 1st world congress on Controversies in Neurology, Berlin, Germany, September 6-9, 2007, Poster presentation. **Sleep disorders in late pregnancy and effective factors on sleep disorders at the last month of pregnancy in Firuzabadi hospital in Tehran, 2006.**
16. The 1st world congress on Controversies in Neurology, Berlin, Germany, September 6-9, 2007, Poster presentation. **Investigating the effect of TENS on primary dysmenorrhea in the students of Tehran Medical Sciences University Residential dormitory.**
17. National Congress on Applied Military Medicine and Crisis Management, Army University of Medical Sciences of the Islamic Republic of Iran, Tehran, Iran, May 2008; **Investigation of basic needs in crisis management.**
18. The 2nd world Congress On Controversies in Neurology (CONY), Athens, Greece, October 23-26, 2008, Poster presentation. **Epilepsy in pregnancy.**

19. The 2nd world Congress On Controversies in Neurology (CONY), Athens, Greece, October 23-26, 2008, Poster presentation. **Study of factors of body activities influencing on severity of primary dysmenorrhea (menstrual pain) in students of faculties of nursing and midwifery of universities under the supervision of ministry of Health, treatment and Medical Education in Tehran.**
20. The 2nd world Congress On Controversies in Neurology (CONY), Athens, Greece, October 23-26, 2008, Poster presentation. **Study of menstrual factors influencing on severity of primary dysmenorrhea (menstrual pain) in students of faculties of nursing and midwifery of universities under the supervision of ministry of Health, treatment and Medical Education in Tehran.**
21. The 2nd world Congress On Controversies in Neurology (CONY), Athens, Greece, October 23-26, 2008, Poster presentation. **Carpal tunnel syndrome in pregnancy.**
22. The 2nd world Congress On Controversies in Neurology (CONY), Athens, Greece, October 23-26, 2008, Poster presentation. **TENS, an effective technology in primary dysmenorrhea.**
23. The 2nd world Congress On Controversies in Neurology (CONY), Athens, Greece, October 23-26, 2008, Poster presentation. **Migraines during pregnancy.**
24. Controversies in Obstetrics, Gynecology & Infertility (COGI), Paris, France, November 27-30, 2008, Poster presentation. **Comparative study of the effect of cord blood drainage and oxytocin injection into the umbilical vein in the duration of third stage of the labor.**
25. Controversies in Obstetrics, Gynecology & Infertility (COGI), Paris, France, November 27-30, 2008, Poster presentation. **Comparison of therapeutic effects of Fennel (Foeniculum vulgare) and Mefenamic Acid on Primary Dysmenorrhea.**
26. Controversies in Obstetrics, Gynecology & Infertility (COGI), Paris, France, November 27-30, 2008, Poster presentation. **Evaluating the applied structural standards of delivery units in medical sciences hospitals universities of capital city of Tehran.**
27. Controversies in Obstetrics, Gynecology & Infertility (COGI), Paris, France, November 27-30, 2008, Poster presentation. **Lifestyle modification is first-line treatment for PCOs.**
28. Regional Conference on New in Nursing and Midwifery, Islamic Azad University of Varamin-Pishva, Tehran, Iran. December 2008; **The effect of umbilical vein oxytocin on length of third stage of delivery in Shahid Akbarabadi hospital.**
29. Regional Conference on New in Nursing and Midwifery, Islamic Azad University of Varamin-Pishva, Tehran, Iran. December 2008; **Sleep disorders in pregnancy.**
30. Regional Conference on New in Nursing and Midwifery, Islamic Azad University of Varamin-Pishva, Tehran, Iran. December 2008; **New method of keeping premature and low birth weight infants.**
31. Reproductive Medicine and Beyond: The 3rd International IVI Congress, Madrid, Spain, May 14-16, 2009, Poster presentation. **Smoking and reproductive function.**
32. Reproductive Medicine and Beyond: The 3rd International IVI Congress, Madrid, Spain, May 14-16, 2009, Poster presentation. **Occupational factors and fertility.**
33. Reproductive Medicine and Beyond: The 3rd International IVI Congress, Madrid, Spain, May 14-16, 2009, Poster presentation. **The effect of weight on fertility.**
34. Reproductive Medicine and Beyond: The 3rd International IVI Congress, Madrid, Spain, May 14-16, 2009, Poster presentation. **Stress and infertility.**
35. Reproductive Medicine and Beyond: The 3rd International IVI Congress, Madrid, Spain, May 14-16, 2009, Poster presentation. **Survey study of relationship between sexual function and marital satisfaction in female students.**

36. 3rd Asia Pacific Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI), Beijing, China, November 12-15, 2009, Poster presentation. **Depression, anxiety and influencing factors in pregnancy. A study in Iran.**
37. 3rd Asia Pacific Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI), Beijing, China, November 12-15, 2009, Poster presentation. **The effect of cord blood drainage in the duration of third stage of the labor.**
38. 3rd Asia Pacific Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI), Beijing, China, November 12-15, 2009, Poster presentation. **The effects of prenatal depression on the fetus and newborn.**
39. 3rd Asia Pacific Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI), Beijing, China, November 12-15, 2009, Poster presentation. **Migraine in pregnancy.**
40. Global Congress of Maternal and Infant Health, Barcelona, Spain, September 22-26, 2010, Poster presentation. **Risk factors of depression during pregnancy.**
41. Global Congress of Maternal and Infant Health, Barcelona, Spain, September 22-26, 2010, Poster presentation. **Stroke in pregnancy.**
42. Global Congress of Maternal and Infant Health, Barcelona, Spain, September 22-26, 2010, Poster presentation. **Bell's palsy during pregnancy.**
43. Global Congress of Maternal and Infant Health, Barcelona, Spain, September 22-26, 2010, Poster presentation. **Fish consumption and riso of mercurio exposure in pregnancy.**
44. Global Congress of Maternal and Infant Health, Barcelona, Spain, September 22-26, 2010, Poster presentation. **Multiple sclerosis and pregnancy.**
45. The 10th International Congress of Endocrine Disorders, Tehran, Iran, October 22-24, 2014, Poster presentation. **Thyroid autoantibodies and the effect on pregnancy outcomes.**
46. The 10th International Congress of Endocrine Disorders, Tehran, Iran, October 22-24, 2014, Poster presentation. **Not using universal thyroid screening test during early pregnancy will overlook three out of four pregnant women with thyroid disorders.**
47. 7th IRHRC Annual Meeting Reproductive and Infertility Updates, Tehran, Iran, January 22-24, 2015. Oral presentation. **The prevalence of subclinical thyroid disorders during pregnancy and related risk factors, population-based study.**
48. 7th IRHRC Annual Meeting Reproductive and Infertility Updates, Tehran, Iran, January 22-24, 2015. Poster presentation. **Hyperthyroidism and pregnancy outcomes.**
49. 4th Iranian International Conference on Women health, Shiraz, Iran, May 20-21, 2015. Poster presentation. **Detection of thyroid dysfunction in pregnant women: universal screening or case-finding approach?**
50. 4th Iranian International Conference on Women health, Shiraz, Iran, May 20-21, 2015. Poster presentation. **The prevalence of thyroid autoimmunity during pregnancy, and related risk factors, a population-based study.**
51. 4th Iranian International Conference on Women health, Shiraz, Iran, May 20-21, 2015. Poster presentation. **Thyroid dysfunction and pregnancy outcomes.**
52. 17th European Congress of Endocrinology 2015, Ireland, Dublin, May 16-20, 2015. Poster presentation. **Mimic the symptoms of thyroid disorders in pregnant women.**
53. Twin Congress- ISERB 2016 & ICRHC 2016. The 2nd International Congress on Reproduction (ISERB 2016); The 1st International Congress on Reproductive Health and Childbearing (ICRHC

- 2016), Tehran, Iran, May 18-20, 2016. Poster presentation. **Subclinical hypothyroidism in pregnancy and miscarriages.**
54. Twin Congress- ISERB 2016 & ICRHC 2016. The 2nd International Congress on Reproduction (ISERB 2016); The 1st International Congress on Reproductive Health and Childbearing (ICRHC 2016), Tehran, Iran, May 18-20, 2016. Poster presentation. **Thyroid disorder symptoms and sign during pregnancy.**
55. Twin Congress- ISERB 2016 & ICRHC 2016. The 2nd International Congress on Reproduction (ISERB 2016); The 1st International Congress on Reproductive Health and Childbearing (ICRHC 2016), Tehran, Iran, May 18-20, 2016. Poster presentation. **The factors affecting anxiety and depression during pregnancy.**
56. 17th International Congress of Endocrinology. Beijing, China, Aug 31-Sep 4, 2016. Poster presentation. **Whether billewicz scoring method precisely predicts thyroid dysfunction in pregnant women? A population based cohort study.**
57. 17th International Congress of Endocrinology. Beijing, China, Aug 31-Sep 4, 2016. Oral presentation. **Effects of levothyroxine treatment on pregnancy outcomes in pregnant women with autoimmune thyroid disease.**
58. The 11th International Congress of Endocrine Disorders. Tehran, Iran, November 2-4, 2016. Oral presentation. **Effects of levothyroxine treatment on pregnancy outcomes in subclinical hypothyroidism pregnant women.**
59. 7th Yazd International Congress and Student Award in Reproductive Medicine with Second congress of Reproductive Genetics and Congress of Reproductive Immunology. Yazd, Iran, April 2017. Poster presentation. **Autoimmune Thyroid Disease in Pregnancy, a population-based study.**
60. 2nd Debatable Topics on Obstetrics, Gynecology & infertility. Tehran, Iran, February 14-16, 2018. Poster presentation. **Subclinical hypothyroidism in pregnancy and Low birth weight.**
61. 2nd Debatable Topics on Obstetrics, Gynecology & infertility. Tehran, Iran, February 14-16, 2018. Poster presentation. **Autoimmune subclinical hypothyroidism in pregnancy and Low birth weight.**
62. 16th International Congress of Obstetrics and Gynecology. Tehran, Iran, October 9-12, 2018. Poster presentation. **Assessment of risk factors for Positive thyroid peroxidase antibodies in pregnancy.**
63. 16th International Congress of Obstetrics and Gynecology. Tehran, Iran, October 9-12, 2018. Poster presentation. **Subclinical hypothyroidism in pregnancy and preterm delivery.**
64. The 12th International Congress of Endocrine Disorders. Tehran, Iran, November 14-16, 2018. Poster presentation. **Is treating TPOAb+ euthyroid/Subclinical hypothyroidism women with LT4 decrease preterm delivery?**
65. The 12th International Congress of Endocrine Disorders. Tehran, Iran, November 14-16, 2018. Oral presentation. **Trimester-specific reference ranges for thyroid function tests during pregnancy in Iranian pregnant women.**
66. The 8th Yazd International Congress and Student Award in Reproductive Medicine. Yazd, Iran, April 19-21, 2019. Poster presentation. **Levothyroxine treatment and pregnancy outcome in women with subclinical hypothyroidism: A systematic review and meta-analysis.**
67. The 15th International Congress of Obstetrics and Gynecology in Iran. Tehran, Iran, October 8-11, 2019. Poster presentation. **The prevalence of thyroid dysfunction during pregnancy a population-based study.**

68. The 15th International Congress of Obstetrics and Gynecology in Iran. Tehran, Iran, October 8-11, 2019. Poster presentation. **The impact of maternal levothyroxine treatment on the neurodevelopment of offspring born to mothers with thyroid dysfunction, a systematic review.**
69. The 9th Iranian Congress of Epidemiology. Tehran, Iran, October 22-24, 2019. Poster presentation. **Establishment of trimester-specific reference range for thyroid hormones during pregnancy.**
70. The 9th Iranian Congress of epidemiology, Tehran, Iran, October 22-24. Poster presentation **Bayesian and latent approaches to solving the problem of epidemiological data fragmentation.**
71. The 7th Iranian Congress on Obesity Prevention and Treatment. November 27-29, 2019. Poster presentation. **The effect of overweight and maternal obesity on adverse pregnancy outcomes.**
72. The 7th Iranian Congress on Obesity Prevention and Treatment. November 27-29, 2019. Poster presentation. **The relationship between obesity and endocrine disorders.**
73. The 7th Iranian Congress on Obesity Prevention and Treatment. November 27-29, 2019. Poster presentation. **Relationship between body mass index and age of menopause in Iranian women: Tehran Lipid and Glucose Study.**
74. The 7th Iranian Congress on Obesity Prevention and Treatment. November 27-29, 2019. Poster presentation. **Effects of oral contraceptives containing levonorgestrel on the obesity parameters of hyperandrogenic patients with polycystic ovary syndrome.**
75. The 8th International Conference on Women's Health. Tehran, Iran, December 4 & 5, 2019. Poster presentation. **Investigation of risk factors of anxiety and depression in pregnancy.**
76. The 8th International Conference on Women's Health. Tehran, Iran, December 4 & 5, 2019. Poster presentation. **The Relationship between Body Image and Coping Styles with Severity of Primary Dysmenorrhea.**
77. The 8th International Conference on Women's Health. Tehran, Iran, December 4 & 5, 2019. Poster presentation. **Factors associated with increased pain in primary dysmenorrhea: analysis via a multivariate ordered linear regression model.**
78. Third Debatable Topics in Obstetrics, Gynecology & Infertility (DTOGI) (International). Tehran, Iran, February 5-7 2020. Poster presentation. **The relationship between maternal urinary iodine concentration and preterm labor.**
79. Third Debatable Topics in Obstetrics, Gynecology & Infertility (DTOGI) (International). Tehran, Iran, February 5-7, 2020. Poster presentation. **Primary dysmenorrhea and its effect on quality of life.**
80. Third Debatable Topics in Obstetrics, Gynecology & Infertility (DTOGI) (International). Tehran, Iran, February 5-7, 2020. Poster presentation. **Duration of hormonal contraceptive pills use and metabolic disorders.**
81. Third Debatable Topics in Obstetrics, Gynecology & Infertility (DTOGI) (International). Tehran, Iran, February 5-7, 2020. Poster presentation. **Impact of body mass index and lipid profiles on blood pressure changes overtime in women with and without a history of preeclampsia: A prospective cohort study.**
82. 16th International Thyroid Congress. Virtual congress, December 16-20, 2020. As Invited Speaker. **Maternal Subclinical Hypothyroidism and neurodevelopment of the offspring.**
83. Thyroid Diseases Webinar. Research Institute for Endocrine Sciences, Shahid Beheshti University of Medical Sciences. February 18, 2021. As Invited Speaker. **Reproductive outcomes of subclinical hypothyroidism, "Offspring impact".**

84. The 13th International Congress of Endocrine Disorders. Tehran, Iran, November 10-12, 2021. Oral presentation. **Isolated Maternal hypothyroxinemia and adverse pregnancy outcomes.**
85. The 13th International Congress of Endocrine Disorders, Tehran, Iran, November 10-12, 2021. Poster presentation. **Subclinical Hyperthyroidism and Adverse Pregnancy Outcomes: A Systematic Review and Meta-Analysis.**
86. The 10th International Conference on Women's Health. Shiraz, Iran, December 1-2, 2021. Poster presentation. **Thyroid function and weight gain during pregnancy.**
87. The 10th International Conference on Women's Health. Shiraz, Iran, December 1-2, 2021. Poster presentation. **Mode of delivery and neonatal thyroid hormones levels at birth.**
88. Application of high innovative technologies in preventive medicine. Andijan state medical institute, Uzbekistan, June 10,11, 2022. Oral presentation. **Isolated Maternal hypothyroxinemia and adverse pregnancy outcomes.**
89. International Symposium of Forensic Nursing. İzmir, Turkey, 17-18 November 2022. Oral presentation (As Invited Speaker). **Sexual Assault and the Role of Forensic Nursing.**
90. The modern methods of diagnosis and treatment of gynecological diseases. Andijan state medical institute, Uzbekistan, 2 December 2022. Oral presentation. **Levothyroxine Therapy for Pregnant Women with Subclinical Hypothyroidism and neurodevelopment of their offspring.**
91. 10th YAZD International Congress and Student Award on Reproductive Medicine With 5th Congress of Reproductive Genetics. Yazd, Iran, 19-21May 2023. Poster presentation. **Pregnancy outcomes in mothers with Covid-19 infection, A meta-analysis.**
92. 10th YAZD International Congress and Student Award on Reproductive Medicine With 5th Congress of Reproductive Genetics. Yazd, Iran, 19-21May 2023. Poster presentation. **Relationship of breast cancer with reproductive factors.**
93. 16th International Breast Cancer Congress. Shahid Beheshti University of Medical Sciences, Tehran, Iran March 2023. Poster presentation. **Reproductive and nutrition risk factors in breast cancer.**
94. International Symposium of Forensic Nursing. **Role of Sexual Assault Nurse examiner.** İzmir, Türkiye, 08- 10 May 2023. Sima Nazarpour (As Invited Speaker).
95. Royan International Hybrid Twin Congress, 24th Hybrid Congress on Reproductive Biomedicine, 18th Seminar on Nursing and Midwifery. Tehran, Iran, 31 Aug-1 Sep 2023. Poster presentation (P-94). **Life Style and Reproductive Risk Factors in Breast Cancer.**
96. 14th International Congress on Endocrine Disorders (ICED). Tehran, Iran. November 22-24, 2023. Oral presentation. **Subclinical hyperthyroidism and adverse pregnancy.**
97. 14th International Congress on Endocrine Disorders (ICED). Tehran, Iran. November 22-24, 2023. Poster presentation. **Subclinical hypothyroidism and Gestational diabetes.**

6. Executive records (responsibilities):

No.	Title of responsibility	Organization / Institute	Year
1	Director of Midwifery and Nursing department	Islamic Azad University, Varamin-Pishva Branch	1398- 2002
2	Dean of the Faculty of Nursing and Midwifery	Islamic Azad University, Varamin-Pishva Branch	2002-2013
3	Director of midwifery department	Islamic Azad University, Varamin-Pishva Branch	2002-2015
4	Dean of the Faculty of Medical Sciences	Islamic Azad University, Varamin-Pishva Branch	March, 2023 until now

7- Academic Awards:

- The top research position of Islamic Azad University in 2014, 2018, 2019, 2018, 2019, 2022, 2022.
- The position of the top researcher of Varamin City in 2013
- The position of a top faculty member of Islamic Azad University
- The first place of the best thesis of the third festival of ISERB Embryology and Reproduction Society of Iran in the field of reproduction. 2017
- Top researcher position at Shahid Beheshti University Endocrinology Research Center in 2018 and 2019
- Winner of the 2022 selected book award in Iran with the title "Obstetrics".

8. Membership in scientific forums and associations:

9. (Skills (mastering foreign languages, software or device, ...) (with full specifications)
