

CURRICULUM VITAE

Date of Revision: 04/20/2024

Name: Farzad Hadaegh

Education: (*Start with the first academic degree according to date; from past to present*)

1. 1985-1992 - MD - Shahid Beheshti University (M.C.)
2. 1992-1995 - Board Certified of Internal Medicine - Shahid Beheshti University (M.C.)
3. 1998-2000 - Board Certified of Endocrinology and metabolism - Shahid Beheshti University (M.C.)

Career/Academic Appointments: (*Academic positions should be listed by date from past to present*)

1. 2012 to Now- Professor of Endocrinology and Metabolism, Shahid Beheshti University of Medical

Administrative Positions: (*Administrative position should be listed by date from past to present*)

1. 2006 to Now - Head of Prevention of Metabolic Disorders Research Center, Research Institute for Endocrine Sciences, Shahid Beheshti University of Medical Sciences.

Professional Honors & Recognition: (*Scientific Awards, incentives and obtained scientific points should be mentioned by date from past to present*)

1. 2008-Distinguished Associate Professor in 9th- Festival of Shahid Beheshti University of Medical Sciences
2. 2010- 4th Rank in 16th , Expert Committee of Clinical and Internal Sciences, Razi Research Festival on Medical Sciences
3. 2011- 2nd Rank in 17th, Expert Committee of Clinical and Internal Sciences, Razi Research Festival on Medical Sciences
4. 2011- Distinguished Associate Professor in 12th - Festival of Shahid Beheshti University of Medical Sciences
5. 2012- National Distinguished Researcher, 13th Acknowledgement of Distinguished Researchers and Technologists Festival
6. 2014- Outstanding Researcher in Endocrinology and Metabolism (Avicenna Prize) in 10th International Congress of Endocrine Disorders
7. 2015- Distinguished Professor (Clinical Medicine) in 16th , Festival of Shahid Beheshti University of Medical Sciences.
8. 2017- Faculty member with h Index of 20 or higher (≥ 20) & Total Citation ≥ 1000 in 18th Festival of Shahid Beheshti University of Medical Sciences
9. 2018- Faculty member with h Index of 20 or higher (≥ 20) & Total Citation ≥ 1000 in 19th Festival

- of Shahid Beheshti University of Medical Sciences
- 10. 2019- Faculty member with h Index of 25 or higher (≥ 25) & Total Citation ≥ 1000 in 20th Festival of Shahid Beheshti University of Medical Sciences
 - 11. 2019- Top Researcher in Diabetes Research- Iranian Diabetes Academy
 - 12. 2020- 3rd Rank in Health and clinical sciences committee, 26th Razi Research Festival on Medical Sciences
 - 13. 2020- Faculty member with h Index of 25 or higher (≥ 25) & Total Citation ≥ 1000 in 21th Festival of Shahid Beheshti University of Medical Sciences
 - 14. 2021- Distinguished Professor (Clinical Medicine) in 22th, Festival of Shahid Beheshti University of Medical Sciences.
 - 15. 2021-Faculty member with h Index of 28 or higher (≥ 28) & Total Citation ≥ 1000 in 22th Festival of Shahid Beheshti University of Medical Sciences
 - 16. 2023- The eminent scholarly rank within the top 1% of the Essential Science Indicators (ESI) and the top 2% according to the Stanford Elsevier database.

Grant History: *(If you have national or international grants, mention them by date from past to present)*

- 1. 2017 to Now (3 proposal) - National Institute for Medical Research Development (NIMAD)

Completed Grants: *(If you have any national or international completed grants, mention them by date from past to present)*

- 1. 2017 to Now (5 proposal) - National Institute for Medical Research Development (NIMAD)

Lectures, Courses, Web-based Education: *(If you have presented or participated in any lecture, educational courses or web-based education, during the last 5 years mention their subject or title)*

- 1. 2021 - Cardiovascular Safety and Efficacy of Metformin as the First Line Medication in the Management of Type 2 Diabetes
- 2. 2021 - Approach of Dyslipidemia for Population with Diabetes
- 3. 2021 - High cardiovascular risk definition, Real status of GLP1 analgous and Na-Glu 2 inhibitors in the management of patients with type 2 diabetes
- 4. 2021 - Prevention of CVD outcomes among patients with T2DM with or at high CVD risk: to start or not start with metformin
- 5. 2021 - Primary prevention in pre-diabetes: The role of Pharmacotherapy
- 6. 2021 - The Role of SGLT2-I in Primary Prevention of Cardio-renal Outcomes for Patients with Diabetes
- 7. 2021 - The Status of SGLT2-I in Primary Prevention of Cardio-renal Complication Among Patient With Diabetes
- 8. 2021 - The Status of SGLT2-I in Primary Prevention of Cardio-renal Complication Among Patient With Diabetes
- 9. 2022 - Approach of Dyslipidemia for Population with Diabetes
- 10. 2022 - Approach to Blood Pressure Control for Population with Diabetes
- 11. 2022 - Case presentation panel: The importance of communication between clinicians and laboratories
- 12. 2022 - COVID-19 and Thyroid
- 13. 2022 - Diabetic Dyslipidemia Impact & Complication

14. 2023 - Approach to Cardiovascular Risk Factor Control Among Patients with Diabetes (Hypertension and Diabetic Kidney Disease)
15. 2023 - Approach to the Management of Patients with Diabetes
16. 2023 - Cardiovascular Kidney Metabolic Health
17. 2023 - Management of Dyslipidemia among Patients with Diabetes
18. 2023 - Obesity: New Insights into Treatment
19. 2023 - Panel Discussion: Updates in Mitigating ASCVD Risk
20. 2023 - Presentation of the Patient with Weakness of Four Extremities
21. 2023 - Prevention of CVD Outcomes among Patients with T2DM at High CVD Risk: to Start or not Start with Metformin
22. 2023 - Prevention of CVD outcomes among patients with T2DM with or at high CVD risk: to start or not start with metformin
23. 2023 - Statues of Combination Therapy (Single-pill Combination) in the Management of Hypertension
24. 2023 - Treat to Target vs High Intensity Statin in Patients with CVD
25. 2024 - Real Status of Metformin in the Management of Patients with T2D; from Low Risk to High Risk States

➤ PROFESSIONAL SERVICE:

Journal Service: (*Membership in the editorial board, being a journal director, chief editor or the journal reviewing board or any related position*)

1. 2013 to Now: Assistant editor of International Journal of Endocrinology and Metabolism.
<https://brieflands.com/journals/international-journal-of-endocrinology-and-metabolism>)

Committees Memberships: (*Membership in university committees such as ethics committee in researchand other professional committees*)

1. 2004 to Now: Membership in Iran Endocrine Society
2. 2004 to Now: Membership in the Research Council of the Research Institute for Endocrine and Metabolism
3. 2004 to Now: Membership in Iran obesity prevention and treatment association
4. 2006 to Now: Membership in Tehran Lipid and Glucose Study Steering Committee
5. 2007 to Now: Membership in the Continuing Education Committee
6. 2016 to Now: Membership in the Clinical Trial Committee
7. 2023 to Now: Membership in the Non-communicable Diseases Committee of the National Institute of Medical Sciences Research Development (NIMAD)

➤ Bibliography:

Peer-Reviewed Original Research: (*List of published articles according to Vancouver style, from past to present*)
